## The Legislative Session Is Ending Without Action To Prevent Gun Violence.

Join Texas Gun Sense, advocates, survivors, and elected officials for a press event on Tuesday highlighting the Legislature's failure to act to prevent gun violence.

- **What: Press Event on Gun Safety**
- **Where: House Speakers Room, Texas Capitol**
- **When: Tuesday, May 23, 9am**

On Tuesday, May 23rd, advocates and elected officials will convene on the day before the one-year anniversary of Uvalde to point to the Legislature's inaction to prevent the next shooting through measures such as HB 2744 to raise the age to 21 to purchase semi-automatic rifles, supported by 76% of Texas voters.

Texas Gun Sense advocates to prevent gun violence and other gun tragedies through education, partnerships, and policy change. Learn more at [txgunsense.org](http://txgunsense.org).
