Harris County Democrats to Host Press Conference Following Recent Reports of DPS' Cruel Treatment of Migrants at Texas-Mexico Border

HOUSTON, TX – In light of recent reports exposing the cruel and inhumane treatment of migrants at the Texas-Mexico border by the Texas Department of Public Safety, Democratic members of the Harris County Delegation and local leaders will host a press conference on Thursday, July 20 at 3:00pm at Talento Billingue Houston.

"We are in shock regarding the news that has come out of south Texas over the last few days," said Representative Morales. "The level of cruelty ordered by Governor Abbott and inflicted by the Texas Department of Public Safety is nothing less than pure evil. Now more than ever, there must be accountability for all parties involved in the viscous and aggressive tactics used against vulnerable migrants seeking a better life at our border."
